## PRIVACY POLICY PERSONAL DATA PROTECTION

**Eurocoin Broker S.A.** is aware of the importance of the privacy of personal data and therefore has implemented a policy of data processing aimed at providing maximum security in the use and collection of the same, ensuring compliance with current regulations in the matter and configuring this policy as one of the basic pillars in the lines of action of the entity.

During the navigation through the web [www.eurocoinbroker.com](http://www.eurocoinbroker.com) it is possible that personal data are requested through different forms arranged for the purpose. Such data will form part of the relevant files depending on the specific purpose that motivates the collection of them.

In this way, the particular information of each data processing will be provided along with the web forms, being common to all of them the entity responsible for the file: Eurocoin Broker SA, as well as the place and form of exercise of ARCO rights (access, rectification , cancellation and opposition), which must be formalized by a written communication to the above address including a copy of the DNI or equivalent identification document.

In the event that you contribute your data through an email or a contact form, it will be part of a file whose purpose will be the management of the request or comment made by yours, the rest of which are applicable indicated in the previous paragraph.

If you provide us with your CV, your data will be processed to facilitate your participation in personnel selection processes.

If you provide your e-mail for subscription to our e-newsletter about news of the new economy and our products and services, the purpose of data processing will be to manage your subscription to the newsletter.

When you begin the initial registration process on the Platform, the Client acquires the status of "Registered Client" of Eurocoin. As a Client, Eurocoin Broker S.A. will treat your data with the following purposes:

- Carrying out the administrative procedures proper to their status as Client of the entity.
- If you have expressly requested it, send you commercial information about news, and your own products and services related to the scope of the new economy.

After accepting the Terms and Conditions of Eurocoin Broker S.A. and make the purchase of your initial pack, you will acquire the status of Eurocoin Client. In addition to the purposes indicated above, the Client data will be processed with the following purposes:

- Business management, wallets and Exchange operations in the different sections of the Eurocoin Platform.
- Management of their participation in the different games of the Platform.

On the other hand, **Eurocoin Broker S.A.** has implemented the necessary technical and organizational measures to prevent loss, misuse, alteration, unauthorized access and theft of Personal Data that the interested parties could provide as a result of access to the different sections of the website [www.eurocoinbroker.com](http://www.eurocoinbroker.com), applying the security measures provided for in Royal Decree 1720/2007 of 21 December, which approves the Regulation implementing Organic Law 15/1999, of 13 December, on the protection of personal data.
